All Others Concerned

1. Pursuant to DepEd Order No. 21, s. 2019, titled "*Policy Guidelines on the K to 12 Basic Education Program*", which provides for the implementation of appropriate learning delivery modalities in cases of disruptions to regular classes, the Schools Division of Laoag City shall implement **Appropriate Learning Delivery Modality (LDM)** for **July 2, 2025 only**, in schools affected by the scheduled power interruption.
2. This measure is in response to the official advisory from the electric utility provider indicating a **scheduled power outage on July 2, 2025**, which may hamper the conduct of regular classroom instruction and use of electronic equipment necessary for teaching and learning.
3. On June 2, schools identified to be affected shall implement LDM through the following suggested modalities:
 - a. Use of printed self-learning modules (SLMs)
 - b. Home-based learning activities and performance tasks
 - c. Online learning activities
 - d. Pre-assigned offline learning activities
4. **Teachers are still required to report physically to their respective stations** to ensure proper facilitation of LDM, including the distribution of materials, learner monitoring, and coordination with parents and guardians.
5. **School Heads of affected schools are advised to:**
 - a. Inform parents and learners of the LDM schedule
 - b. Ensure that learning materials are distributed in advance
6. The regular delivery of in-person classes shall resume on **July 3, 2025**, unless otherwise advised.
